Total living area:

1,922 square feet

3 bedrooms

2 baths

2-car garage

This innovative plan combines efficient use of space with unparalleled value. From the welcoming front porch to the open design, The Dawson makes you feel instantly at home. This plan features 3 bedrooms, 2 baths, and a study packed into 1,922 square feet. The open kitchen has a large island and bar top for extra seating, and flows into the dining area and large family room. A sizable rear covered porch is just off the family room and adds plenty of outdoor living space. The peaceful master suite has two separate walk-in closets and a beautiful bathroom with a dual vanity, soaking tub and walk-in shower. There are two additional bedrooms and another bath, as well as a valet next to the laundry room. The voluminous 10-foot ceilings throughout the entire home and the suntube in the interior bathroom help make this home feel light and airy. Enjoy a choice of either tile or hardwood flooring in all of the common areas. The 2-car garage has a handy pull-down ladder for access to the floored storage area in the oversized attic.
